HOW TO USE THE SUBJECT CATALOG

This catalog is arranged alphabetically by subject headings compiled from the Library of Congress Subject Headings and Ulrich's International Periodical Directory. Under each subject are listed the periodical holdings of the subject departments of the San Francisco Public Library, Main Library, Civic Center, and Business Branch, 530 Kearny Street. If a title is available in more than one of these locations, an entry has been made for each location.

Immediately below the title, the place of publication is given. This is followed by the holdings statement. Just to the right of the title you will find the name of the subject department in which that periodical is located. Below the department name is the call number, if any.

The filing sequence of the Subject Headings is as follows:

ART	(single word)
ART-GALLERIES AND MUSEUMS	(sub-division with dash)
ART-STUDY AND TEACHING	(sub-division with dash)
ART, ECCLESIASTICAL	(sub-division with comma)
ART AUCTIONS	(word phrase)
ART INDUSTRIES	(word phrase)

Holdings statements are brief, with no abbreviation for "volume" before the volume numbers, and with months abbreviated to two letters. If the publication is in any medium other than paper, e.g. microfilm, this is indicated. An explanation of the symbols and abbreviations used in the catalog is given on page ii. The statement "CIRCULATING ISSUES ALSO AVAILABLE" means that issues of the past 6 months may be charged out. Where no holdings statement is shown, it should be assumed that the title is on order, and you may check with the Subject Department to see whether issues have arrived.

All requests for interlibrary loan from the central headquarters or from any branch must be sent to headquarters. Branches are not able to fill interlibrary loan requests directly.
Current issue: library use only. Bound volumes, back periodicals, newspapers, and microfilm: requests for interlibrary loan are generally accepted, but the county reserves the right to restrict circulation and loan on any serial item. Photocopies: 15 cents per page.

EDUCATIONAL RESOURCES CENTER, SAN MATEO COUNTY OFFICE OF EDUCATION
We will be happy to make photocopies of periodical articles available to any other library without charge IF the other library will reciprocate. If the other library charges, we will make similar charges.

SAN MATEO COUNTY PUBLIC HEALTH AND WELFARE LIBRARY
We will send the issue or the volume when possible. If for some reason we must send copywork, we will contact the asking library to see if the borrower will pay. Rate is 3 cents per page.
